In case of loss of conscience place the victim in the recovery position.
First-aid measures after skin contact	: Rinse immediately with plenty of water for 15 minutes. Rinse immediately contaminated clothing and skin with plenty of water before removing clothes. Wash skin with soap and water. When in doubt or if symptoms are observed, get medical advice. Wash clothing before re-using. Thoroughly clean shoes before re-using.
First-aid measures after eye contact	: Rinse immediately with plenty of water, also under the eyelids. If eye irritation persists: Get medical advice/attention. Contact lenses should be removed.
First-aid measures after ingestion	: Immediately give plenty of water. IF SWALLOWED: rinse mouth. Do NOT induce vomiting. Immediately call a POISON CENTER/doctor. Take victim to fresh air, in a quiet place. If unconscious, place in the recovery position and seek medical advice. Never give anything by mouth to an unconscious person. Loosen tight clothing such as a collar, tie, belt or waistband. Do not apply mouth-to-mouth resuscitation.
